

The 48th Annual Tensas Reunion Memphis, TN July 20-22, 2023

Tensasans and Friends!

Regardless of where you stand on key issues in today’s world, it’s hard to deny the importance of justice for all. There are many places around the world that have, as a part of their history, incidents that remind us how important it is that justice be applied blindly and with as much wisdom as we can muster up. Memphis is one of those places. The stories are well known and persist to this day. As we work to address the myriad problems facing our communities— lackluster educational programs, underemployment, crime and violence, to name a few—it is the ability to find light that illuminates through the dark that helps us find our way to what’s just.

As Tensasans gear up for a 2023 get-together, we’re heading to Memphis—Home of the Blues, Soul, and Rock and Roll. The host committee has reached out to the greater community of Tensasans around the country and is in full-on preparation to host the 48th Annual Tensas Reunion.

The City of Memphis has been reshaping itself to be the hottest destination in Tennessee. From the STAX Museum of American Soul Music to the National Civil Rights Museum, from Overton Park Shell Concerts to free live music at venues throughout Memphis, and nights on the iconic Beale Street to sun-drenched activities like Mud Island Riverwalk along the Mississippi Riverfront— Memphis has something for everyone! According to Condé Nast Traveler, it is now one of the 23 best places to go in the entire world! Will you be there?

To host your stay, a premiere family-friendly location has been carefully chosen for us—The Guest House at Graceland. Tensasans have met with the young enterprising staff there and it is clear that they understand what hospitality truly means. They’ve been working hard and have shown, during preliminary visits, that they are more than ready to shell out rock ‘n’ royal treatment for us—fit for any ‘king’ or ‘queen.’ Come see for yourself and cure those winter blues.

Note: There are currently no mask mandates in place. This website will be updated with any new information if that changes. As the COVID virus has not been completely eliminated, please feel free to wear a mask for your personal comfort and protection. In addition, masks will be available on-site for your convenience.

We look forward to seeing you in Memphis, along with classmates, friends, and family. You’ll enjoy some interesting stops in the city and get together at the hotel for special Reunion activities being planned just for you. Join us from **Thursday, July 20th to Saturday, July 22nd.**

Sincerely,
Tensasans with Memphis Committee and Beyond
