

The Tensas Reunion, Inc. organization has a long history of supporting the educational goals of Tensas youth. This has been done primarily through financial contributions to graduating high school seniors by way of yearly scholarships. Young Tensasans from the local Tensas High School as well as their counterparts from high schools around the country have been awarded funds each spring.

This page is dedicated to showcasing the recipients through the years. If you received a scholarship from the Tensas Reunion during the past decades they've been available, let us hear from you! If you know of someone or are a family member of a recipient, please let them know about this! Thank you.
